acknowledge that there are inherent risks of bodily injury while working with mosaic art tools and materials and understand that the practices outlined below will help minimize the risk of injury.

• SAFETY GLASSES

I(we) understand that The Art Pad recommends wearing safety glasses while using cutting tools and that safety glasses are readily available from The Art Pad upon request.

Please Initial

• CUTTING TOOLS

I(we) understand that The Art Pad requires me(us) to only use cutting tools when all other people in the room are shielded from flying shards by one or more of the following:

- 1. safety glasses
- 2. a solid barrier
- 3. a distance of 10 feet or more.

Please Initial

• GROUT DUST

I(we) understand that grout and thinset are carcinogenic and care should be taken to avoid breathing the dust while mixing and sweeping these substances in their dry form. I am aware that protective masks are readily available from The Art Pad upon request.

Please Initial
